

UNPARALLELED INSIGHTS

ACXIOM DATA

UNDERSTAND AND ENGAGE CONSUMERS EVERYWHERE BY LEVERAGING ACXIOM DATA

Marketers looking to deliver exceptional experiences need exceptional insights and data. Exceptional data provides the window into truly knowing and understanding audience needs, wants and preferences.

- Enhance Understanding of Audiences and Engage Them Across Digital and Offline Channels
- Power More Relevant Engagement and Experiences
- Enable Acquisition, Upsell/Cross-Sell and Retention Efforts
- Fuel More Robust Analysis and Predictive Analytics

Acxiom provides the most comprehensive, global suite of consumer insights in the market, harnessing data about real people across the most sources of data to power precise people-based marketing. Acxiom leverages data to help brands succeed by understanding and building digital and offline audiences, completing contact touchpoint data, and distributing data to leading platforms and publishers.

ENHANCEMENT

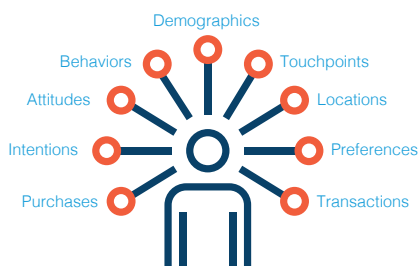

AUDIENCES

AUDIENCE DISTRIBUTION

With more than 50 years of data expertise, Acxiom has perfected the process to ingest, clean, match and enhance omnichannel datasets at scale in a privacy-conscious way. Acxiom's full scope of data and insights covers the globe with reach of more than 2 billion addressable consumers across the Americas, APAC and EMEA.

ENRICH CUSTOMER DATA WITH THOUSANDS OF DESCRIPTIVE INSIGHTS

- Largest collection of multi-sourced consumer insights available with more than 10,000 attributes in over 30 countries across the globe
- Comprehensive consumer enhancement with unrivaled accuracy and coverage at individual, household and geographic levels

The most accurate and powerful third-party descriptive and predictive data¹ can enhance your first party files and enables you to better understand the needs, wants, and preferences of your audiences. Acxiom-branded offerings include InfoBase®, Personix®, and Audience Propensities® along with partner-branded offerings.

FIND YOUR MOST VALUABLE AUDIENCES ACROSS ALL CHANNELS

- Premier source of audiences for digital and offline customer acquisition
- Thousands of audience selectors
- Custom look-alike audience creation
- Available for display, search, social, video, mobile, email, postal and phone

Whether using off-the-shelf seasonal or special interest data packages or building a specific audience with the help of Acxiom data specialists, you can tap into high-quality, limitless combinations of data to meet your specific campaign needs.

CONNECT WITH FAST, FLEXIBLE AUDIENCES EVERYWHERE

- Build, deliver and connect audience data anywhere, anytime.
- Highly intuitive interface and thousands of attributes for real-time decisioning
- Deliver seamless experiences across channels and devices in a privacy-conscious way
- Distribute to hundreds of partners at the touch of a button
